1. The contents of this bulletin are on the basis of policies applicable on the date of commencement of admission for the Academic Session 2023 – 2024. Additional information shall be uploaded to the University website: www.aud.ac.in. Candidates seeking admission are hereby advised to regularly visit the website for updates and to take note of any modification of the admission processes described in the present bulletin.

2. Any change in the procedures for in-person appearance of applicants for admission activities as well as for verification of documents shall be notified in due course on the website.

I(A). The Foreign Student (FS) Admission Category

AUD invites applications to its study programmes from citizens of countries other than India. AUD has a Foreign Student (FS) supernumerary admission quota -- in excess of the sum of seats of regular Indian admission categories -- for its undergraduate, postgraduate and PhD programmes. The FS quota in UG and PG programmes is a percentage of the total of regular (non-supernumerary) Indian/domestic study seats. The number of FS seats in a PhD programme is determined by the programme's supervisory capacity. In some PhD programmes there are few or no FS seats in some admission years. **The FS PhD seats available in 2023 – 2024 in the various programmes are shown in Table below (page 3).**

Admission of foreign students is for full-time study in an approved programme with intention of completing an AUD degree. (Temporary/part-time enrolment of foreign students or research affiliation is allowed under some institutional agreements between AUD and foreign colleges/universities: see the web page of the AUD International Affairs Division for details.)

FS applicants must apply and pay fees at the **online application portal for FS applicants** here: <https://audfsradmission.samarth.edu.in/> . **FS applicants should carefully read the bulletin describing the programme they seek admission to and follow the programme-specific instructions (in Section II below) for FS admission.**

- **FS admission is considered to be ‘in absentia’, whether or not the FS applicant is in India at the time of application.** No applicant under the FS category may be considered for admission under another category or quota, and no applicant under any domestic admission category (regular or supernumerary) is eligible for FS admission. FS admission to most programmes differs from domestic student admission. FS applicants are not usually expected to participate in the same admission steps as Indian (domestic) applicants; they might undergo alternate admission diagnostics.
- Minimum eligibility requirements for FS applicants are the same as (or equivalent to) those for Indian applicants of the general/unreserved admission category. *The MER are mentioned in the programme writeups in the general bulletin of information and on the admission web pages.* The numerical cut-offs for determining higher eligibility of domestic applicants do not apply to FS applicants.
- If an admission process includes viva voce entrance exercises or interviews, an FS applicant cannot be exempted from that activity because of her/his remote location. FS applicants will be interviewed via Skype or other electronic platform.

‘Self-financing’ FS applicants are those who apply at large and do not receive financial assistance as part of an official government/cultural/educational exchange programme recognized by the Indian government. Self-financing FS applicants pay the AUD application/FS processing fees and they pay the tuition indicated in the table below [Section I(C)]. **Financed/sponsored FS applicants** apply for admission to AUD as per the norms of the Indian Council for Cultural Relations (Cultural Exchange Fellowship Programme) or another government-to-government scholarship programme. Their tuition payments to AUD are set by terms of their scholarship, as recognized by the university.

*3. A recent **photograph** showing full face of the applicant.

I(E). Language Proficiency Tests

AUD is a multi-language learning environment. Many AUD study programmes expect learners to be proficient or to become proficient in more than one language, including English. Admission of foreign students to AUD presumes their proficiency in academic English. No special proof of proficiency is required *if* (a) an FS applicant's most recent (or qualifying) educational degree was awarded by a recognized 'English-medium' institution, *or* (b) English was the official 'medium of instruction' of the programme they graduated from. **If neither (a) nor (b) is true, an FS applicant needs to provide evidence of academic proficiency in English in the form of a performance report/certificate of a standard examination of academic English, preferably TOEFL or IELTS (Academic only, not General Training version).** The reported test score must have been obtained within the preceding two years. For admission to all AUD programmes *except B.Voc. and Hindi language and literature*, an applicant's minimum IELTS score must be 6.5, or the TOEFL score must be in the 79 – 93 range (out of 120) or above. *Applicants to B.Voc. and Hindi language and literature programmes need not submit TOEFL or IELTS scores as described above.* Admission to Hindi programmes requires demonstration of proficiency in Hindi, as decided by programme faculty. Admission to B.Voc. programmes may require an applicant to demonstrate knowledge of English. (Contact svs@aud.ac.in for instructions.)

In AUD programmes with compulsory English language courses, TOEFL or IELTS scores may be used to place the foreign student into the appropriate level of English language training.

I(F). What Happens After You Are Offered Admission?

- FS applicants with complete and valid online applications will be contacted in due course about subsequent application steps. Those selected for admission are offered *provisional admission* upon verification of the documents provided during the admission process.

No provisionally admitted foreign student will be registered at AUD without a valid visa (Student or Research) unless they are in possession of such document as OCI card that conveys right to stay in the country and register in an Indian educational institution. For information about visa requirements, please visit <https://indianvisaonline.gov.in/visa/index.html>. FS candidates should await the official AUD admission 'offer letter' (with provisional registration number and other information) before applying for visas.
- **Additional requirements for registration:** (1) proof of suitable medical insurance, with 'evacuation' clause, for the FS *as well as* any dependent family members who stay with the FS in India; (2) banking details showing ownership or co-ownership of a bank account in

India with funds sufficient to cover at least the first year of AUD tuition and living expenses in Delhi; *and* (3) evidence of personal and/or family financial resources sufficient to cover the student's expenses of the whole intended period of study (2 years, 3 years or 4 years). (3) can be waived for government sponsored/financed FS candidates (defined above I.A.).

- FS are expected to pay the agreed tuition (see I.C.) on an annual basis at the beginning of each academic year. Payment of tuition and charges must be in Indian Rupees (INR) and can be done by electronic bank transfer. If an FS drops out before the end of the full academic year, part of the tuition may be refunded on a pro-rated basis. Any refund will be in INR.
- **AUD Student Services** is the administrative unit directly concerned with admission of foreign students. Once admitted, foreign students are assisted and advised by programme staff of their School and by the **International Affairs Division (IAD)**. IAD assists FS with matters such as general orientation towards the university, registration at the Foreigners Regional Registration Office and search for housing/accommodation. Contact IAD at **iadoffice@aud.ac.in**.
- Please note that AUD cannot guarantee FS accommodation on its campuses. FS may apply for available university housing as other students do after they are provisionally admitted.

II. Application Instructions for Specific Programmes

Before proceeding to the online application form/portal, read the information about admission in the general bulletin of information and on the AUD admission website *as well as instructions given below* about the programme(s) you are applying to.
