PRESS RELEASE

31 October 2024

A 185-member delegation comprising young athletes representing various International Curriculum Schools across India and officials from International School Sports Organization (ISSO) India visited Bahrain from 23rd to 30th October 2024 to participate in the ISF World School Gymnasiade held in Manama.

The competitors took part in various disciplines including Archery, Artistic Gymnastics, Athletics, Badminton, Basketball, Chess, Fencing, Judo, Karate, Swimming, Table Tennis, Taekwondo, and Tennis. The team attained significant accomplishments winning two gold medals, four silver medals, and six bronze medals.

A visit to the Embassy of India was also organized for the delegation as part of the 'Visit Embassy' Programme on 29 October 2024. Ambassador Vinod K Jacob also interacted with the delegates. During the visit the student athletes received an overview of the various roles and departments in the Embassy. They were also informed about several initiatives and exhibitions hosted by the Embassy. Additionally, the students gained valuable insights into the historic bilateral relations between India and Bahrain.
